Thought the COVID-19 Pandemic would stop you from globetrotting? Not anymore!

In the spirit of enhancing diversity in arbitration, and giving us all a much-needed travelling and sightseeing experience, the AIAC is proud to present its latest initiative titled, "Around the World in 30 Days".

Throughout November 2020, we will be releasing virtual interviews on the AIAC's LinkedIn, Facebook and Instagram pages showcasing 30 short interviews with arbitration practitioners from 30 different countries. Join us as we travel across the globe to understand what makes these 30 countries effective seats of arbitration whilst gaining tips and insights from all 30 seasoned practitioners!
